

**EPA EVENT ORGANIZER -- Region 6 Only**

April 17 and forward only

| Date    | Type               | Topic                                   | Detailed Description  |
|---------|--------------------|---|---|
| 4/17/17 | COMMUNITY MEETING  | Superfund                               | The City of Dallas has requested EPA's and TCEQ's participation in a Community Meeting to discuss previous removal activities and the ongoing evaluation to assess the National Priority Listing for Lane Plating. The Lane Plating Site is a former electroplating operation and is currently inactive. It is located approximately five miles south of downtown Dallas, TX. |
| 4/18/17 | EARTH DAY/OUTREACH | Environmental Awareness                 | R6 Water Division staff will host a booth at the DFW Airport Earth Day to promote environmental awareness and understanding the importance of protecting the Earth's natural resources, promoting science and technology.   |
| 4/18/17 | PRESS EVENT        | Superfund Site                          | City of Slidell, LA, is holding a groundbreaking on the Heritage Park Marina project on April 18. This project is a significant investment by the City in recreational reuse at the Bayou Bonfouca Superfund site. EPA is invited to speak at the event.  |
| 4/18/17 | MEETING            | Superfund Site                          | EPA Intends to Hold a Meeting on the Circle Court Superfund Site. On April 14, EPA is tentatively scheduled to provide an update to the community on the results of the latest groundwater monitoring well and sampling event for Circle Court Superfund Site. The meeting will be conducted at the Willow Park Administrative Building in Willow Park Texas.                 |
| 4/19/17 | BORDER EVENT       | US-Mexico Border Event                  | On April 19, EPA intends to participate in EPA-BECC Lower Valley Water District Border Project events that highlight initial construction of one project and project certification and BEIF award of another community in El Paso County, TX.   |
| 4/19/17 | MEETING            | Urban Waters/Lake Pontchartrain Project | Full partnership meeting to discuss the status of new committees and upcoming challenges and needs. Expected number of participants 40 people. Location - New Orleans, LA   |

**EPA EVENT ORGANIZER -- Region 6 Only**

April 17 and forward only

| Date         | Type               | Topic                            | Detailed Description   |
|--------------|--------------------|----------------------------------|--|
| 4/19/17      | Outreach           | Procurement                      | On April 19, EPA intends to participate in the annual Alliance Texas small business outreach event. Alliance Texas is hosted by Alliance Procurement Fairs, formerly ShowWorks, Inc., a small women-owned business. It's an outreach fair with a focus on all small and socioeconomic groups with representation by public and private entities. Alliance Texas has been identified as an annual procurement outreach event for participation by regional staff on the small business 5-year procurement outreach plan. It was identified as an annual event because of the targeted socioeconomic business groups; it is local; and it is an event supported by the Small Business Administration (SBA) and the General Services Administration (GSA). Additionally, the Office of Small and Disadvantaged (OSDBU) has also identified it as a potential procurement outreach event to be attended by the Region in FY 2017 |
| 4/19/17      | Outreach           | Earth Day                        | EPA will staff a booth at the University of Texas at El Paso (UTEP) Earth Day event and distribute EPA publications on the environment (clean air, clean water) as well as several children's coloring publications.   |
| 4/19/17      | EARTH DAY/OUTREACH | Earth Day                        | R6 Water Division staff will participate in the University of Texas at Arlington's (UTA's) annual Earth Day event at UTA UC Mall in Arlington, TX. Some of the other vendors are the City of Arlington Recycling, City of Arlington Water Dept., North Central Texas Council of Government, Trinity River Authority and more, all promoting environmental issues. Over 500 college students will visit the vendors to talk about how they can change the environment/career possibilities after graduation.  |
| 4/19/17      | MEETING            | Gulf of Mexico                   | On April 19, EPA Intends to participate in the Clean Gulf Advisory Committee Meeting to help steer the 2018 Clean Gulf Agenda.   |
| 4/19-20/17   | OUTREACH           | Local Foods, Local Places (LFLP) | Region 6 staff will assist with Local Foods, Local Places (LFLP) community events in Tallulah, LA. Community meeting is April 19; strategies and action planning sessions are April 20.  |
| 4/21-23/17   | EARTH DAY/OUTREACH | Environmental Awareness          | EPA will participate in Earth Day Texas 2017 in Dallas by showcasing several R6 programs with exhibits/presentations, including the EPA mobile lab from Houston, TX  |
| 4/21-22/2017 | EARTH DAY/OUTREACH | Environmental Awareness          | Staff will present a booth showcasing various EPA programs (i.e., Clean Air, Clean Water, Healthy Communities, E-Waste/Recycling at Earth Day Ciudad, Juarez, Chihuahua, Mexico.   |
